This Point of View condo delivers exceptional value for anyone looking to enter the Canmore market—whether as a first home or a smart investment. This 2-bed, 2-bath top-floor unit sits in a quiet, family- and pet-friendly community and offers over 800 sq ft of inviting, functional living space. Recent flooring updates complement the open-concept layout, with seamless flow into the kitchen and living area. The ideal split-bedroom design places each bedroom on opposite sides of the unit, creating privacy for owners, guests, or roommates. The primary suite features a generous walk-through closet and a full ensuite. A standout feature is the large in-suite laundry and storage room, providing secure space for all your mountain gear. Step outside to a comfortable patio with partial mountain views and natural shade from mature trees—perfect for warm summer days. The complex includes 2 outdoor parking stalls, ample visitor parking, and an on-site playground framed by stunning mountain scenery. With its thoughtful layout, peaceful setting, and attractive price point, this condo truly checks all the boxes. Book your showing today.
