Welcome to this beautifully maintained 3-bedroom, 2.5-bathroom home with a fully finished basement, backing south onto green space and a park. From the moment you enter, you'll be impressed by the hardwood floors and the abundance of natural light throughout the main level. The spacious living room features a cozy gas fireplace and lovely views over the mature backyard. The fabulous kitchen is ideal for both everyday living and entertaining, offering stainless steel appliances, a gas stove, granite countertops, and a large island. Enjoy meals in the bright dining area or step outside onto the covered, south-facing deck—perfect for summer BBQs. Completing the main floor is a convenient half bath with a quartz-topped vanity. Upstairs, you'll find three generous bedrooms. The primary bedroom overlooks the green space and features two closets along with a beautifully renovated 3-piece ensuite with a large tiled shower. A 4-piece family bathroom and stacked washer and dryer on this level add everyday convenience—no more trips to the basement for laundry. The fully finished basement offers a large family room with a second gas fireplace and durable laminate flooring, along with a versatile flex room ideal for a hobby space or home office. The utility room provides ample storage and includes a utility sink. Recent updates include a new furnace (2024), hot water tank (2020), central vac (2024) and water softener (2017). Outside, the large backyard is enhanced by mature trees and shrubs, offering excellent privacy and shade. A storage shed and the spacious covered deck create the perfect setting to relax and unwind. Additional highlights include new shingles (2020) and a front-attached garage. Located in a great community close to walking paths, green spaces, and amenities, this home is move-in ready and not to be missed. Book your showing
