**\*\*Open House | Saturday Jan 17 | 1&ndash;3 PM\*\*** Welcome to 612 Willoughby Crescent, tucked away on one of Willow Park Estates&rsquo; most coveted, quiet crescents where mature trees, pride of ownership, and seven figure homes define the street. This is your rare opportunity to own in Willow Park Estates under \$1.1M. Very few homes in this price range offer the combination of thoughtful renovations and immediate livability in such a well established, highly desirable pocket. For buyers who want to avoid a multi year renovation plan, this represents a clean, turn key entry into one of South Calgary&rsquo;s most sought after communities. Updated over the years, this 4 bedroom, 2.5 bath home delivers the character of an estate neighbourhood with the comfort of a modern interior. The open concept main floor features Brazilian hardwood floors and a chef inspired kitchen with quartz counters, cherry cabinetry, stainless steel appliances, and a statement island, designed for real life, not just show. With three distinct family living areas across multiple levels, every square foot is thoughtfully used, creating a home that feels far larger than its footprint. Upstairs offers three bedrooms including a private primary suite with ensuite, while the lower levels provide flexible space for family living, entertaining, a home office or gym. A fourth bedroom, attached heated garage, and smart layout make this a true family friendly estate home. Major upgrades over the years including windows, roof, siding, insulation, electrical, and a gas fireplace mean the big work is already done. Just steps to top rated schools, Trico Centre, Southcentre Mall, parks, and Willow Park Golf & Country Club, this home offers the location, the street, and the lifestyle buyers chase at a price point that rarely becomes available in this pocket. If you&rsquo;ve been waiting to get into Willow Park
