Located on a large corner, pie-shaped lot in the established neighbourhood of Anders Park East, this spacious family home offers exceptional space, functionality, and views. Set on a lot over 12,000 square feet, the property provides ample outdoor space, privacy, and additional parking. The impressive front entrance opens to soaring ceilings and an inviting main living area featuring a gas fireplace, crown mouldings, and hardwood flooring. The kitchen offers granite countertops, new appliances, and flows into a comfortable family room with built-in cabinetry, ideal for everyday living and entertaining. A large deck extends the living space outdoors and captures beautiful city and mountain views. Upstairs, the well-designed layout includes four generously sized bedrooms, including a spacious primary suite with a sitting area, walk-in closet, and four-piece ensuite. The fully developed walkout basement features nine-foot ceilings, a large family and games area, wet bar, and an additional bedroom, providing excellent flexibility for guests or recreation. Additional features include wall-mounted air conditioning units, in-floor heating, HRV system, speakers throughout, a triple attached garage, RV parking pad, a landscaped yard with an irrigation system, and a garden shed that is equipped with electrical power. This home offers an outstanding combination of lot size, layout, and location in a sought-after Red Deer community.
