This Large one-and-a-half storey home is filled with memories and ready for its next chapter!! Located on the quiet east end of Edson in a mature, established neighbourhood, offering a private, peaceful yard. The property features back-alley access to a 28 X 24 heated garage, along with ample additional parking space. Upon entry, you will appreciate the generous storage with three large closets, a convenient 2-piece bathroom and a direct access to the backyard patio, complete with a gas hookup ready for your barbecue. The main floor hosts a spacious kitchen complete with a built-in refrigerator, countertop stove, two wall ovens, dishwasher, trash compactor, garburator, instant hot-water tap, and abundant cupboard space. The kitchen opens to a bright roomy living area, perfect for everyday living and entertaining. This level also includes three bedrooms and a 3-piece bathroom. The upper level was previously used as a primary suite and features two separate entrances, making it a versatile space that could also serve as a family or recreation room. This floor includes a 3-piece bathroom and a gas stove for added comfort. The basement is ready for your finishing touches, allowing you to choose flooring to create a warm and inviting den for family space, complete with a dual gas/wood fireplace. This level also includes an additional bedroom, 3-piece bathroom, a sauna, and a laundry room. This home has welcomed many families over the years and is filled with cherished memories. With a little TLC, it offers the opportunity to create the same warmth and memories for your own family. The price reflects the renovations needed, making this a great value in a desirable location.
