Located on a quiet street in Lakeside, this bi-level offers a layout that works well for everyday family life. Just over 1,200 sq ft on the main floor, the upper level features three bedrooms, including a primary with a walk-in closet and 3-piece ensuite plus a full main bath. The kitchen has quartz countertops plus updated appliances and connects comfortably to the main living space. The fully developed basement includes a large family and games area with a gas fireplace, a fourth bedroom, a 3-piece bathroom, laundry, and a generous storage room. Outside, the fenced yard includes a deck, good side-yard space (buyer to verify size for potential uses) and a double attached garage. Central air conditioning adds comfort and shingles were replaced in 2024. Walking distance to Bud Miller Park, this is a solid Lakeside home in a location families continue to choose.
