Step into this exceptional home, thoughtfully built with ICF concrete block walls from foundation to ceiling, for superior energy efficiency, strength, and year-round comfort. A welcoming foyer opens into a stunning living room highlighted by soaring vaulted ceilings and an abundance of natural light, creating a comfortable, open atmosphere. Cozy up by the wood stove—perfect for relaxing evenings with family or entertaining guests. The expansive kitchen is truly the heart of the home, designed to impress with custom hickory cabinetry, solid granite countertops, and generous workspace. Whether hosting gatherings or enjoying everyday meals, this chef-inspired space makes cooking both effortless and enjoyable. Retreat to the spacious primary suite, complete with a luxurious ensuite featuring a soaker tub and steam shower—your own private spa experience. Four additional bedrooms offer exceptional flexibility for family, guests, or home office needs. The walk-out basement provides easy access to the 4 acre beautifully landscaped property, while the wrap-around deck is ideal for entertaining, summer barbecues, or simply unwinding and taking in the surroundings. Additional highlights include in-floor heating for cozy winters, wiring for a home generator is in place for added peace of mind, and connection to treated town water—offering the perfect blend of rural living and modern convenience. A domestic irrigation turn out is on the property to meet all of your watering needs, whether you are an avid gardener, lawn expert, or to maintain the beautiful established trees on the property. This remarkable property truly has it all—schedule your viewing today and experience it for yourself!
