The Yamnuska was uniquely designed to fill the home with sunlight from brighter windows, shorter hallways, and a charming open concept main floor. This floorplan is a stunner, with a welcoming foyer leading to the great room, a spacious quartz kitchen, and an oversized island that's ideal for entertaining. On the upper floor you'll find the convenient laundry room close to the bedrooms and main bath. Escape to your primary bedroom with a walk-in closet and ensuite. A separate side entrance and 9' foundation have been added to your benefit for any potential future basement development plans. Mattamy includes 8 solar panels on all homes. This home is estimated to be completed February 2026. \*Photos are representative.
