A rare opportunity to own 147 acres of heavily treed, private land just 5 minutes north of Dixonville, ideal for those seeking a recreational retreat, hunting property, or nature-based lifestyle. This expansive acreage offers abundant wildlife, natural cover, and established trails, making it well suited for hunting, hiking, ATVir, snowshoeing and year-round outdoor enjoyment. The 1928 farmhouse, full of character, was placed on a new solid basement in the 1980's and has been updated with new plumbing and electrical, blending rustic charm with functional upgrades. Inside, quaint shiplap ceilings create a warm country feel. The upper level features a landing area and three bedrooms, while the newer basement provides additional living space with a fourth bedroom, sitting area, and 2-piece bathroom. Surrounded by mature trees, this property offers exceptional privacy, natural windbreaks, and prime wildlife habitat. Whether used as a full-time residence, week-end get-away, or hunting camp, the land provides countless opportunities to explore and enjoy the outdoors. Water is supplied by an aerated dugout system with a 150 gallon fresh water holding tank. A unique acreage offering seclusion, recreation, and natural beauty, all within close proximity to town amenities. This home is absolutely adorable for anyone with a country soul. Don't let this one pass through your fingers.
