This home is fully landscaped and fenced, Certified Built Green, solar-ready, and includes additional features such as Central Air Conditioning, 9' knockdown ceilings on the main floor, a gas fireplace, gas lines to the BBQ and stove, and basement bathroom rough-in, and a radon mitigation system installed as a proactive, preventative measure for added peace of mind. Ideally located directly across from the Hillcrest public school and close to parks, playgrounds, pathways, and shopping at Cooper's Promenade and the nearby new South Point Village retail development.
