Welcome to this stunning 2024 Jayman BUILT detached home, perfectly positioned on a corner lot with exceptional curb appeal and everyday convenience. Offering 3 bedrooms, 2.5 bathrooms, and a detached double garage, this home is packed with thoughtful upgrades and energy-efficient features throughout. Step inside to be greeted by soaring 10-foot ceilings at the entry with massive windows flooding the space with natural light, transitioning to 9-foot ceilings throughout the main level and upstairs, creating a bright and open atmosphere with dark waterproof laminate covering every inch of the main floor. The main living space features a tiled bump-out with a sleek electric fireplace, contrasting beautifully against the bright kitchen. The kitchen is finished with a chimney-style hood fan, quartz countertops contrasting against the bright white mosaic backsplash, and modern black hardware, creating a cohesive, bold, and contemporary look. Up the stairs, an additional window above the staircase floods the home with natural light. The primary suite impresses with a dual vanity and walk-in shower. Built with efficiency in mind, the home includes triple-pane windows and 10 solar panels to keep your bills low! Outside, enjoy ample parking thanks to the corner-lot in front of the home and beside, as well as easy street-side access to the garage, with no long alley drives required. Located just minutes from Shaganappi Trail, this home offers quick access to major routes, numerous shopping options, and a range of amenities. A perfect blend of modern design, smart upgrades, and everyday functionality, this home truly checks all the boxes! Contact your favourite realtor today for a tour; this one won't last long!
