This 5 level split home is located on a great lot in Wedgewood. The property is beautifully landscaped with a very private backyard. The top level has a master suite including a large bedroom, soaker tub, double sinks, walk in shower and water closet. Accompanied by a large walk in closet. This level also includes a nice landing/hallway leading to a 3 piece bathroom, 2 good sized bedrooms and a laundry room that includes nice cabinetry, sink, folding counters and new appliances. The 2nd level has a formal dining area, breakfast dining area, kitchen and living room. The 3rd level has a spacious entry, powder room, entry closet, living room and office. The 4th level has a games room hang out area, tv/projector area, gym and bathroom. The 5th level has been converted to a bedroom but could easily be used for its previous use of a pool table games room or could be a great in law suite. The garage has a drain and is heated. The landscaping is stunning and low maintenance and comes with an irrigation system. Overall the home has a unique but high functioning floor plan with high end finishes. Should be viewed to be appreciated. Owner is a licensed real estate agent in the province of Alberta.
