A tremendous investment opportunity! Discover over 4 acres of land within town limits, offering endless potential and a rare blend of privacy and convenience. This unique property features three dwellings, making it ideal for rental income, future development, or multi-family living. The primary residence is a spacious 5-bedroom, 2.5-bath home (4 bedrooms up, 1 down) with over 1,800 sq. ft. of main-level living space. It includes a finished walkout basement and a double attached garage, providing both comfort and functionality. The second home also boasts a double attached garage and offers just over 1,900 sq. ft. on the main level, featuring 4 bedrooms upstairs and 2.5 bathrooms, along with a finished walkout basement. The third dwelling is currently winterized and secured, but with some TLC can be revitalized and converted back into a livable residence, adding even more value and opportunity. Surrounded by mature trees, the property offers a private setting while remaining just a short drive to local amenities and the highway.
