This original owner first time offered for sale Custom-built home is ideally located in desirable Mission Heights. Spacious corner-lot offers extra parking options and access of side street to rear yard. Close to walking trails, shopping, and schools. This property features an open-concept layout with a total of 5 bedrooms and 3 full bathrooms, main floor laundry room with custom cabinets and sink, and formal dining room. The deluxe master bedroom includes an ensuite bathroom with jetted tub and separate shower, sitting area, and hot water heating beneath the whole area above garage for added comfort. The fully developed basement boasts a separate entrance, cozy woodstove, and a convenient kitchenette—perfect for extended family or guests. Enjoy a gas fireplace in the living room and a wood stove in the basement. There are numerous upgrades including shingles (approx. 10 years), a new furnace, hot water tanks replaced about 3 years ago, and newer washer and dryer. This is a large home in a sought-after location—this one checks all the boxes.
