Fully finished, 4 bedroom, 4 bathroom, 2 storey walk out, with double attached heated garage in the desirable neighborhood of Westmount! Location is key! and this homes location is to die for! Backing onto green space (with a walking path in the back and the front of the home) and is steps to a park. It is also close to schools (walking distance to a K-9), plenty of shopping, and all amenities, restaurants, and multiple parks. The main level is well thought out and is flooded with natural light. It has a nice flex room, main level laundry, and an open and bright kitchen, living and dining room. You will also enjoy a cozy fire place, walk in pantry, eat at kitchen Island, and a back deck off of the dining room. The upper level offers 3 good sized bedrooms, 2 bathrooms and a great bonus room. The primary bedroom has a walk in closet, 4pc en-suite w/ (soaker tub and separate shower) and a great mountain view to the west. The walk out basement is fully finished, with a 4th bedroom, and a 4th bathroom, great family space, and storage as well. The back yard is landscaped, private, and has a rear deck, covered patio and storage shed.. Even a spot for a hammock. Whether you are enjoying the warm sun on a cool morning, or the shade in the hot afternoon, this east facing yard is a great personal and/or gathering space. A couple extra bonuses to this home are a tankless hot water system, and central air conditioning! Come and see all this property has to offer and make it yours! Improvements on the property since 2022 1) Kitchen cabinets painted, back splash, new countertops, sink, faucet and cupboard pull out drawers. 2) New Kitchen pot lights installed, pendants removed. 3) New fridge, 4) New range hood. 5) New dining room chandelier. 6) Kitchen plumbing and dishwasher clean up. 7) All outside lights replaced with timers. 8) New front door. 9) Landscaping -
