At the front of the home, a flexible bonus room offers endless possibilities—whether you need a quiet office, a creative space, or a cozy reading nook. The heart of the home unfolds at the back, where a bright and spacious living area is anchored by an eye-catching kitchen. Thoughtfully finished with a mix of modern cabinetry and natural wood tones, it features quartz countertops, stainless steel appliances, classic subway tile, and an oversized island with seating—perfect for casual breakfasts or hosting friends and family. The adjacent dining area easily accommodates large gatherings, making this home an entertainer’s dream. Upstairs, a central loft adds a second family space or media room, separating the primary retreat from the kids’ rooms. The primary suite is a true escape, complete with a walk-in closet and spa-like ensuite with dual sinks, the perfect spot to start or end your day. Two additional bedrooms, a full 4-piece bath, and an upper laundry room complete the level with comfort and convenience. The side entrance provides options in the future for a basement suite (A secondary suite would be subject to approval and permitting by the city/municipality) providing the perfect spot for extended family or rental income. **This home also comes complete with full front and backyard landscaping, including sod, mulch on the side yards, and trees/shrubs in the front as per community guidelines. Hotchkiss is one of Calgary’s newest southeast communities, offering the perfect blend of

quiet residential living and urban accessibility. With quick connections to Stoney Trail, 52nd Street, and the South Calgary Health Campus, commuting is a breeze. This growing neighbourhood features thoughtfully designed green spaces, winding walking paths, and future planned amenities including parks, schools, and local shops—all designed to create a connected and vibrant community atmosphere.
