Welcome to this thoughtfully refreshed bi-level half duplex tucked into the heart of Dover, an opportunity that blends smart updates, functional design, and long-term potential. Offering just under 600 sq ft above grade plus a fully finished basement (over 1,080 sq ft of total developed living space), this home is bright, efficient, and surprisingly versatile, with vinyl flooring, quartz counters, central air conditioning, and a layout that lives larger than its footprint . The finished lower level features multiple bedrooms and a full bathroom, creating flexible space for work-from-home life, guests, or growing needs. Step outside to a fenced yard with rear lane access and a detached single garage—ideal for Calgary winters and weekend projects alike. Zoned R-CG and located in a community seeing steady reinvestment, this property invites both lifestyle buyers and long-term thinkers to imagine what’s next, whether that’s settling in, renovating further, or holding for future value. With parks, schools, shopping, and transit nearby, this is a home that makes everyday living easy while leaving room to dream bigger!
