Steps from the vibrant energy of Marda Loop, this fully renovated home delivers modern inner-city living with excellent income potential. Both the main floor and the legal two-bedroom lower-level suite have been extensively upgraded, featuring luxury vinyl plank flooring, quartz countertops, dual vanities, and brand-new appliances throughout. Energy-efficient green windows and doors, along with durable Hardie Board siding, were installed in 2024 for added comfort and peace of mind. The bright and inviting two-bedroom lower suite offers large windows and a private entrance. It is currently Airbnb licensed and also well-suited for long-term rental, with previous rental income of \$1,750 per month (\$21,000 annually). Outside, enjoy low-maintenance front landscaping, a spacious fenced backyard finished with micro clover (no mowing required), and parking for up to three vehicles. A rare, turn-key opportunity just steps from cafés, restaurants, and boutiques—combining modern upgrades, flexible rental income potential, and one of Calgary’s most desirable inner-city locations.
