Welcome to this lovely three bedroom, two bathroom family home in the heart of friendly Tuscany - close to all the amenities of the Tuscany Club, nearby shopping, 12 Mile Coulee School, and the scenic 12 Mile Coulee Park walking paths. The front entrance opens into a bright living room bathed in natural afternoon light. Up a short flight of stairs, the main living area welcomes you with a generous formal dining room leading into the wide open kitchen. It's well laid out, featuring plenty of cupboards, a corner pantry, and a moveable island with seating for two. At the back of the home, just off the kitchen, is a comfortable, morning sun-filled breakfast nook with access to the two-tiered deck and treed backyard. Rounding out this level is a spacious primary bedroom, complemented by a walk-in closet and a "cheater" ensuite door to the four piece bath (which includes both a soaker tub and separate shower). A second ample bedroom sits across the hall, offering a nice sense of privacy between the rooms. Hard flooring, baseboards, and paint have been refreshed throughout the main floor for a modern, cohesive flow. Downstairs, you'll find a massive recreation room with a corner gas fireplace to cozy up in front of. A large third bedroom and an additional full bathroom provide even more living space, while the sizable storage, mechanical, and laundry area ensures there's a place for everything. Complete with a double attached garage, this home is a true gem. Don't wait to see it!
