Welcome to The Elliott II by NuVista Homes, a thoughtfully designed 1,600 sq ft home offering comfort, privacy, and flexibility. This 3-bedroom, 2.5-bath layout features 9' main-level ceilings and an open-concept design ideal for entertaining. The kitchen includes a large central island, double-door wall pantry, and stone countertops, flowing seamlessly into the dining and great room. Rear garden access is enhanced with a built-in bench and hooks for everyday convenience. Upstairs, the primary bedroom offers a spacious walk-in closet with a window and a luxurious 5-piece ensuite. Two secondary bedrooms are thoughtfully positioned away from the primary for added noise separation, along with a centrally located upper-floor laundry and extra hallway storage. The basement includes a potential future development option, providing excellent future flexibility for extended family or adult children. A well-balanced home designed for modern living.
