This duplex built by Daytona Homes features an open concept main floor with plenty of natural light. A rear kitchen with ample storage, along with a central island make this ideal for entertaining and home cooking. Upstairs are 3 nice sized bedrooms including a primary with ensuite, double vanity, and a walk in closet. A laundry closet with shelving completes the upper floor for added convenience. The basement is unfinished, but a side entry, 9' foundation, and bathroom rough in are all included for future needs. Plenty of backyard space, and a concrete parking pad backing onto the rear lane complete the back yard. Photos are representative.
