Welcome to the Hogan 4 by Sterling Homes Calgary! Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. Built to 2025 Advantage Specifications, this home features LVP in all wet areas, a modern electric fireplace with tile face and capped ledge, and paint-grade railing with iron spindles. The executive kitchen offers a built-in microwave appliance tower, waterfall granite island, gas cooktop, pots-and-pan drawers, and a walk-through pantry with broom storage. The primary bedroom includes a 5-piece ensuite with soaker tub with tiled skirt, tiled-wall fiberglass shower with shelves and barn-style glass door, and a bank of drawers. Enjoy 9' basement ceilings, rear deck and a gas line rough-in for BBQ&mdash;perfect for everyday living and entertaining. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it&rsquo;s designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches&mdash;all seamlessly controlled via an Amazon Alexa touchscreen hub.
