A bungalow with plentiful parking, non-conforming suite and a fantastic location. With 3 bedrooms on the main floor, a 4 piece bathroom, spacious living room and separate laundry it makes for a convenient space. The basement has a separate entry, 2 additional bedrooms, 4 piece bathroom, kitchen and laundry area. The roof was re-done in 2018 and the garage roof was re-done within the last few months. There's alley access, a great yard and a lot to love about this home!
