Experience the ultimate hybrid of privacy and community in this rare, stand-alone detached BUNGALOW located in a sought-after mature 55+ complex. This meticulously maintained 1447 sf home offers the total independence of a detached house with all the carefree, maintenance-free perks of condo living. Step into the tiled entrance to an airy, open-concept layout featuring soaring 9 foot ceilings and large new front windows that flood the space with natural light. The kitchen showcases sleek granite countertops with waterfall detail on the island, complimenting ample storage and meal prep area. For the ultimate in modern convenience, this home features remote-controlled blinds, allowing you to adjust your privacy and lighting with the touch of a button. To assist in temperature control and comfort, the home is equipped with central air conditioning. The main floor also includes a convenient and well lit laundry room. This home has been enhanced by the new triple pane argon windows on the North exposure and R50 insulation added to the attic space, ensuring efficiency and lower utility costs. Lets not forget the additional 1289 SF of bonus space in the unspoiled basement providing endless potential for another bedroom, family room, massive workshop, hobby room, or incredible storage and there is also a rough-in for a future bathroom. The attached garage is heated and also offers additional storage. This isn't just a home, its a community. Owners enjoy full access to the main building's social rooms and can participate in a vibrant calendar of community social events. Peace of mind is guaranteed with expert management by Astoria Asset Management. The complex also offers RV storage and 2 large patios on the East side of the building for summer gatherings. For your internet convenience, fiber optics has been installed to the house and the home

is protected by a whole home surge protection appliance! They simply have not built enough of this type of property! Call your Realtor® for a private viewing.
