If you are looking for a rental property or a mortgage payment helper, don't miss this clean single-family home with an illegal suite. This 1,047 sq. ft. bungalow is located on a quiet street with a beautiful front yard in Southview. The main level features hardwood flooring, a sunny south-facing living room, a functional dining area. The kitchen comes with freshly painted cabinet and newer vinyl flooring. There is also a washer hookup ready for an additional washer. Three good-sized bedrooms with hardwood flooring, a renovated 4-piece bathroom (new window & tiles). A separate entrance provides excellent potential for renting out the lower level. The recently renovated basement offers a functional open floor plan with plenty of natural light in the family room, two additional bedrooms with vinyl flooring, and a second kitchen equipped with a hood fan and ample cabinetry. The basement can be easily converted into a legal suite. The huge backyard is fenced and a oversize single garage (Just built by the previous owner when my clients purchased the property). Conveniently located within walking distance to shopping centres, restaurants, and public transit. Just a 10-minute commute to downtown with quick access to international AVE & 17 Avenue SE and Deerfoot Trail.
