Upstairs you’ll find 4 bedrooms, ideal for larger families or those needing extra space for guests. The primary bedroom offers generous square footage and room to unwind, while the additional bedrooms are well-sized and practical. The unfinished basement presents excellent potential for future development, with room to add additional bedrooms, a recreation space, or a secondary suite (subject to city approval). This home also offers valuable exterior upgrades, including a hail-resistant roof on the house (2021), recently replaced siding (North and West sides), soffit, eaves and a new garage roof (fall of 2025) — giving buyers added peace of mind and long-term durability. Outside, you’ll appreciate the oversized detached garage with extra space for vehicles, storage, or a workshop setup. As one of the largest laned homes in Taradale, this property stands out for both its size and the pride of original ownership throughout.
