This well-maintained 2-bedroom, 2-bathroom condo features an open-concept layout with a cozy gas fireplace that creates a warm focal point in the living area. The primary bedroom includes a full ensuite and a generous walk-in closet. The kitchen offers a convenient eating area and flows seamlessly into the main living space, ideal for everyday living and entertaining. Additional highlights include in-suite laundry with washer and dryer, ample in-suite storage plus additional common area storage, and an assigned rear parking stall with plug-in. Window blinds and drapes are also included. The building is self-managed by a proactive ownership group, with exterior shingles and siding previously replaced. Ideally located on a quiet street just minutes from downtown Calgary, with convenient access to major roadways, transit, and shopping. An excellent opportunity for first-time buyers, investors, or downtown professionals. Exceptional value for the size and location—this is inner-city living at its best.
