OPEN HOUSE Saturday, February 21st, 1:00 – 3:00. This is the one you've been waiting for! A comfortable and beautifully maintained, 1230 SF bungalow in the best part of Wildwood! This owner-occupied home has been meticulously updated and cared for. The chef's kitchen with a huge island open to the living room and dining room is the hub of the home. Three well-sized bedrooms on the main floor share a large, modern family bathroom. A large fourth bedroom and full second bathroom downstairs, along with a comfortable family room, fitness nook, and big utility/laundry room, offer plenty more living space. The exterior is clad in Hardie Board siding over R4.5 insulation. Generous, updated windows bring the sunshine in while the front yard boasts a new concrete patio and walkway surrounded by impressive landscaping. A single, oversized attached garage and large front drive offer plenty of parking space. The large backyard features a generous paving-stone patio and gas BBQ hookup – perfect for summer entertaining. There's also plenty of additional backyard green space for the entire family to enjoy. Surrounded by nature, and less than two blocks from Wildwood Elementary, the community centre, hockey rink, sports courts, and community garden. With Edworthy Park, the Douglas Fir Trail, and the Edworthy off-leash park a short walk away, and downtown only a 10-minute commute, it's no wonder Wildwood is such a coveted place to call home.
