The kitchen is well-appointed with a walk-in pantry, under-cabinet lighting, and generous counter space for cooking and hosting. A convenient half bathroom completes the main level. Upstairs, you'll find four spacious bedrooms, including two primary suites, an excellent setup for larger or multi-generational families. The main primary retreat features a private ensuite with dual sinks, a soaker tub, and a separate shower. The additional bedrooms are generously sized, offering plenty of space for family members, guests, or home office use. A third full bathroom on the upper level adds extra convenience for busy households. A bright bonus room/loft completes the upper floor, providing flexible space for a study area, lounge, or media room.
