Have you been looking for the opportunity to live up and rent down? Or maybe you are just looking for a new rental property? Here is the best of both worlds! This 4-unit home is ready for its new owners. The property features one legal suite and three additional self-contained units, offering flexibility for both homeowners and investors. With the ability to live in one unit and rent out the others, this property works perfectly for first-time home buyers looking to offset their mortgage, or as an investment opportunity to add to your portfolio. On the main level, you will find a two-bedroom, one-bathroom unit with plenty of space for entertaining. Down the hall, you'll find shared laundry and access to the other self-contained units. There is another legal suite in the basement with one bathroom and one bedroom. Upstairs, you will find another studio with one bathroom and a den and last but not least there is a self contained studio apartment that has been beautifully upgraded. The backyard features a fully fenced yard along with a single detached garage. With so many possibilities, this property is one you won't want to miss.
