Great, high traffic location that won't break the bank. Approximately 1400 square feet of wide-open space to do with as you please. This is the lower level of the building which used to be the Real Estate Association's office. Large window everywhere insures plenty of natural light and the space can be configured as you like. There is a unisex bathroom, a coffee bar area, a large storage room and wall of bookshelves. \$2200 per month includes triple net costs and your utilities. Very affordable space for hairdresser, beautician, nail technician, esthetician, massage therapy, bookkeeping, consulting or any number of business ventures.
