This 795 square foot retail space is ideal for any business looking for an affordable option to purchase with great exposure to make their own. This property has ample parking at the front and rear of the building and exposure from Highway 43. This is a property that any small business looking to own their own retail or office space should take a closer look at. The Landlord is open to a market-rate leasing option for an approved tenant. Call your Commercial Realtor for more information or to book a showing today.
