An excellent opportunity to step into a well established business and become the owner/operator. Business name and all tools and equipment owned by the business are included in the sale. Building is not owned by the business and leasing agreements will need to be worked out with the building owner. See Schedule "A" to see a list of tools and equipment included. Everything you would need to keep operating the mechanics shop without delay. Call or text Jon @403-854-1949 to schedule a time to check it all out for yourself.
