A 2000-built home and detached garage in the lakefront community of Joussard, Alberta. This bi-level has 872 square feet of living space upstairs and the option to finish the 872 square feet downstairs. The downstairs is partially finished with wall petitions, drywall and a 75% finished second washroom. The open-concept living room, dining room, and kitchen have cathedral ceilings and large windows. The main floor laundry combo back entrance is an added functional bonus. The two-car garage will store your lake toys and the property has full RV hookups for added guests. If living at the lake is calling you: this may be the perfect property to call home. New shingles installed on house July 2025. Call, email, or text today to book your personalized showing.
