This 5 bedroom, split-level acreage home, with a 36' x 46' shop, sits on over 2 acres of fenced land right in town! Many updates have been done over the years including some flooring, windows & paint inside & out. The kitchen has brand-new, stainless-steel appliances & plenty of oak cabinets for storage. A functional wood fired cook stove, sits just off the kitchen & breakfast nook, providing turn of the century, rustic warmth & style. There is multi function space off the kitchen that can be used as a formal dining room or family entertaining. The master bedroom features attractive hardwood flooring & a convenient 2 pc ensuite. 2 additional bedrooms, a 4 piece bathroom & laundry with new washer & dryer complete the main level. The upper level offers a spacious living room that provides lots of natural light & access to the outside deck & patio area. 2 more bedrooms on the upper floor add extra space for the growing family. The lower level is partially finished with a large open area, utility room with high efficiency furnace & plenty of storage. Loads of parking for general vehicles & RV, an attached carport at the side of the house & a playground area for the kids are added bonuses for the family. The heated, insulated shop, with 12' x 10' garage door, has 220 wiring with 2 sub-panels, mezzanine, storage shelves & a 2pc bathroom. The property has option to be further sub-divided, subject to town review & approval. Situated within walking distance to all shopping, walking trails & Mary Reimer Park.
