This 5 bedroom family home has been very well maintained over the years. Located in family friendly Westhaven, close to schools. This home has a great floor plan with 3 bedrooms up, ideal for a family. Living room has gleaming hardwood floors and a large window allowing for plenty of natural light. Kitchen is well appointed with newer stainless steel appliances and white cabinets. The basement is home to two spacious bedrooms, a 3 PC bathroom and a huge recreation room. This home is deceptively spacious, not one square foot of wasted space. Upgrades include: shingles and siding, eavestrough, windows in 2022, hot water tank in 2021, Furnace (2009, new motherboard in 2025). Detached workshop/storage space offers plenty of storage options for all your toys.
